

Shipping a car from Australia to the United Kingdom

Looking for a specialist importer of cars from Australia can be a stressful experience, we are here to guide you through the process every step of the way.

We are exclusively represented throughout Australia by our agents, who are fully trained and qualified in the handling of all motor vehicle types.

Our loading depots are continuously open for receiving of cars, or we can offer a collection service Country wide.

We provide fast shipment times and weekly departures with direct connections from Australia to the UK.

Adelaide – Port to port transit time of 44 days

Brisbane – Port to port transit time of 48 days

Fremantle – Port to port transit time of 44 days

Melbourne – Port to port transit time of 44 days

Sydney – Port to port transit time of 44 days

With **Car Shipping Made Simple**, you can export your vehicle from Australia to the UK, safe in the knowledge that your vehicle will be secure whilst in transit.

1. Deliver your vehicle to one of our terminals in Brisbane, Sydney, Melbourne, Adelaide or Fremantle. Alternatively, we can arrange collection on your behalf

2. To ship your car we will require

- Copy of Passport/ License
- Copy of registration document
- Copy of the purchase invoice (if available)
- If any personal effects in the vehicle please supply detailed packing list.

3. We will then deal with any paperwork, carry out a vehicle inspection report and help with specific country regulations.

4. Our team of dedicated and highly trained professionals will then ensure your vehicle's safety by loading it into a container for transportation.

5. Your vehicle will be shipped using the fastest possible direct route to your chosen destination in the UK.

6. We carry out customs formalities ready for your vehicle's collection or delivery.

You can also choose your departure times and use our tracking service to follow your vehicle on its journey. So get an instant quote today to ship your vehicle with a safe, reliable and trusted service. [Click here for a full UK Car Import Guide](#)
