

## **Shipping a car from New Zealand to the United Kingdom**

We ship a variety of different vehicles from New Zealand direct to the UK, including vans, cars, caravans and jet skis.

Being exclusively represented in New Zealand we can offer weekly exports, guaranteeing fantastic customer service all the way from New Zealand to the UK.

We use direct routes to ensure the fastest possible transit times, and you can track your vehicle's progress using our tracking system.

Providing fast shipment times and weekly departures with direct connections from New Zealand to the UK.

Auckland– Port to port transit time of 47 days

Christchurch – Port to port transit time of 52 days

Napier – Port to port transit time of 54 days

Tauranga – Port to port transit time of 54 days

Wellington – Port to port transit time of 44 days

1. Deliver your vehicle into anyone of our 5 terminals throughout New Zealand, or if required we can arrange for collection.

2. To ship your car we will require

- Copy of Passport/ License
- Copy of registration document
- Copy of the purchase invoice (if available)
- If any personal effects in the vehicle please supply detailed packing list.

3. We will then deal with any paperwork, carry out a vehicle inspection report and help with specific country regulations.

4. Once your vehicle arrives in the UK, you can pick it up from our terminal, or we can deliver to your door.

5. We will handle all paperwork, including inspection reports, country regulations and customs formalities. Plus, you only pay 50% upfront.

With our no hidden fees policy and professional shipping agents, shipping couldn't be simpler

You can also choose your departure times and use our tracking service to follow your vehicle on its journey. So get an instant quote today to ship your vehicle with a safe, reliable and trusted service. [Click here for a full UK Car Import Guide](#)
